

Give, Save & Spend

FINANCES GOD'S WAY

Homework For This Week:

- Read Chapter 15 of Your Money Counts
- Memorize Proverbs 21:20
- Complete the Module Eight Small Group Study Homework
- Pray for the students in your small group

Class Agenda

Agenda to be used by facilitator during the Small Group meeting time.

- 1** (3 minutes) Open in Prayer
- 2** (5 minutes) Have each person recite Proverbs 21:20
- 3** (40 minutes) Begin Homework Discussion
- 4** (10 minutes) Complete Prayer Logs
- 5** (2 minutes) Facilitator closes in Prayer

Homework Questions

All students should complete prior to the small group meeting.

- 1** What was something new or interesting you learned this week?

2 What are two things you learned from reading Chapters 11 & 12 of *Your Money Counts*?

3 What are some ways you can practically apply what you learned from what you've learned?

 **Read Genesis 41: 34-36; Proverbs 21:20 and Proverbs 30:24-25**

4 What do these passages say about saving?

- 5 Watch the following animation.

[Click here](#) to view.

If you are not saving yet, what are some ways that you can begin to?

Read Luke 12: 16-21, 34

- 6 Why do you think the Lord called the rich man a fool?

- 7 According to this parable, why do you think it is scripturally permissible to save only when you are also giving?

 **Read Proverbs 21:5; Proverbs 24:27; Proverbs 27:23-24; Ecclesiastes 3:1 and Ecclesiastes 11:2.**

9 What investment principles can you learn from each of these verses, and how might you apply them?

a. Proverbs 21:5

b. Proverbs 24:27

c. Proverbs 27:23-24

d. Ecclesiastes 3:1

e. Ecclesiastes 11:2

Let's Get Practical Homework

Continue Tracking and Tweaking Your Spending Plan

If you are using Mint, log into your Mint account, review and make any necessary adjustments.

[Click here](#) to go to the Compound Interest Calculator and enter the following scenarios.

Figure out how much interest you would earn over 30 years if you invested:

\$1,000 at 5% interest _____

\$2,000 at 5% interest _____

\$5,000 at 5% interest _____

\$10,000 at 5% interest _____

[Click here](#) to go to Investment Goal Calculator and enter the following scenarios.

Figure out how much money you would make if you invested over 30 years:

\$1,000/ year at 7% interest _____

\$1,000/ quarterly at 7% interest _____

\$100/ per month at 7% interest _____

\$400/ per month at 7% interest _____
